Adaptive Passes may also be upgraded to a full season pass at any time throughout the year. Pass Insurance is offered through "Beecher Carlson Insurance Services" and is an option well worth considering in order to protect your investment.

The Adaptive Pass also gives you the ability to purchase *one* guide / companion lift ticket per day for a reduced price, by presenting your adaptive pass at a ticket office on the day of skiing. The guide / companion must be assisting with the adaptive skier/rider at all times. This option is not available at Arapahoe Basin or Perisher & some other international resorts. Six "Ski-with-a-friend" tickets are also available for friends and family, which are not restricted to skiing / riding with the pass holder. Advanced purchase of Ski-with-a-friend or guide / companion tickets are not available.
