SUPERVISION OF ATHLETES AND PARTICIPANTS

During training and competition, CHAPTER NAME/ACRONYM strives to create two-deep leadership and minimize one-on-one interactions to create a safe training environment and to protect athletes and participants. Two-deep leadership means a minimum of two adult Covered Individuals, or one Covered Individual and the parent/guardian of the relevant athlete, are present when working with an athlete.

For purposes of this Section 4, “ward” means an individual, whether an adult or a minor, who has a legal guardian.

Covered Individuals are required to abide by these Athlete Abuse Prevention Policies at all CHAPTER NAME/ACRONYM-controlled activities and events, and facilities under CHAPTER NAME/ACRONYM’s jurisdiction (to mean facilities owned and controlled by CHAPTER NAME/ACRONYM).

APPROPRIATE ONE-ON-ONE INTERACTIONS

One-on-one interactions between a minor/ward athlete and a Covered Individual (who is not the athlete's parent or guardian) are permitted only if they occur at an observable and interruptible distance by another adult, as described in “Individual Care or Support Session,” or in emergency circumstances.

Monitoring. When one-on-one interactions between Covered Individuals and minor/ward athletes occur at CHAPTER NAME/ACRONYM events, other Covered Individuals will monitor these interactions. Monitoring includes: knowing that the one-on-one interaction is occurring, the approximate planned duration of the interaction, and randomly dropping in on the one-on-one.

Out-of-program contacts. Covered Individuals are prohibited from interacting one-on-one with unrelated minor/ward athletes in settings outside of the CHAPTER NAME/ACRONYM programs that are not observable and interruptible (including, but not limited to, one’s home and individual transportation), unless parent/legal guardian consent is provided for each out-of-program contact. Nonetheless, such arrangements are strongly discouraged.

Individual Meetings

An individual meeting may be necessary to address an athlete’s concerns, training program or competition schedule. Under these circumstances, Covered Individuals are to observe the following guidelines.

- Any individual meeting should occur when others are present and where interactions are at an observable and interruptible distance by another adult.
- Where possible, an individual meeting should take place in a publicly visible and open area, such as the corner of a field of play or preparation area.
- If an individual meeting is to take place in an office, the door should remain unlocked and open, and any windows must be uncovered.
Individual Training Sessions
An individual training session(s) with a minor/ward athlete may also be desired or necessary. Under these circumstances, written permission of a minor/ward athlete’s parent or guardian is required in advance of the individual training session(s), and CHAPTER NAME/ACRONYM encourages parents and guardians to attend the training session. Individual training sessions should be observable and interruptible by another adult at all times.

Individual Care or Support Sessions
Athletes with disabilities may require additional care or support sessions that should be administered in a private setting. Written permission of the athlete, or a ward athlete’s parent or guardian, if applicable, is required in advance of such individual care or support session(s), and sessions must be conducted in compliance with this Handbook and any other applicable CHAPTER NAME/ACRONYM policies or protocols. Individuals providing such care must have any required license(s) and must notify, if at all possible, a Covered Individual on location before any individual care or support session takes place. Such individual care or support sessions may include:

- Toileting
- Diapering
- Assistance in changing between clothing and sports equipment

PROHIBITED ONE-ON-ONE INTERACTIONS
Except as set forth above, minor/ward athletes and participants will not be left unattended or unsupervised during CHAPTER NAME/ACRONYM activities, including being left alone during practice time, and CHAPTER NAME/ACRONYM Covered Individuals are prohibited from being alone with an individual minor/ward athlete or participant in any room or building.

VIOLATIONS
Violations of this policy must be reported to CHAPTER NAME/ACRONYM pursuant to its Reporting Policy. Violations will be addressed under the Disciplinary Rules and Procedure and may result in the sanctions as set forth therein, including temporary or permanent suspension. Some violations may constitute physical or sexual abuse that must be reported to appropriate law enforcement authorities.
