

Disabled Sports USA values the health and well-being of our community and continues to monitor the COVID-19 situation closely.

March 11, 2020

All [Adapt2Achieve events](#) through April 15, 2020 have been postponed due to the Coronavirus (COVID-19) advisory.

We will continue to assess events on a case-by-case basis and plan to conduct all other events unless travel is restricted by local, state, or federal authorities, host venues become unavailable, or significant attendee cancellations occur. If an event is postponed we will notify you with as much notice as possible in order to minimize disruption to your schedule.

While there are many news outlets reporting on COVID-19, our primary sources of information are the [US Office of Personnel Management](#) and [Centers for Disease Control and Prevention](#). We will continue promoting personal and facility hygiene practices in accordance with CDC recommendations including cleaning of frequently touched surfaces using household cleaning sprays/wipes and asking attendees who are ill to stay home.

Please don't hesitate to contact me if you have any questions.

Thank you,
