

Disabled Sports USA values the health and well-being of our community and continues to monitor the COVID-19 situation closely.

March 9, 2020

To our Adapt2Achieve host partners and registrants:

As the Coronavirus (COVID-19) expands across the United States, events on the [Adapt2Achieve calendar](#) may be impacted.

The following events have been cancelled and will be rescheduled at a later date to be determined:

- March 10-11 Martinsburg, WV Yoga as a Complementary Approach to Whole Health Living Workshop
- April 1-2 Chillicothe, OH Yoga as a Complementary Approach to Whole Health Living Workshop

At this time there are no travel advisories regarding COVID-19 in any of the areas where we have other Adapt2Achieve training events scheduled. We plan to conduct all of these events unless travel is restricted by local, state, or federal authorities, or host venues become unavailable. If an event is postponed we will notify you with as much notice as possible in order to minimize disruption to your schedule.

While there are many news outlets reporting on COVID-19, our primary sources of information are the [US Office of Personnel Management](#) and [Centers for Disease Control and Prevention](#). We will continue promoting personal and facility hygiene practices in accordance with CDC recommendations including cleaning of frequently touched surfaces using household cleaning sprays/wipes and asking attendees who are ill to stay home.

Please don't hesitate to contact me if you have any questions.

Thank you,

Julianne Mills
